About TalentAssess

TalentAssess is the leading e-commerce platform in Vietnam dedicated to professional talent assessments. We bring together the world's most respected instruments — including MBTI®, Hogan, Everything DiSC®, Apollo, TKI, and Strong Interest Inventory — in one easy-to-access destination.

Our mission is to empower HR leaders, coaches, and organizations with science-backed insights that drive better hiring, leadership development, and team performance.

Why TalentAssess

- **Globally Recognized Instruments** — 46+ assessments from world-class publishers.
- **Instant Access** — Order online and receive credentials directly via email.
- **Expert Debriefing** — Optional 1-on-1 sessions with certified consultants.
- **Local Support** — Vietnam-based service team with regional expertise.

Assessment Catalog

48 assessments available at www.talentassess.com.vn

WILEY

Everything DiSC Workplace® Profile

Transform your workplace culture with the world's most practical behavioral tool. Everything DiSC® is not just a test; it's a shared language that helps employees at every level connect better, communicate more effectively, and reduce the friction that slows down productivity.

USD \$170.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I - Profile Report

Unlock the foundation of your professional identity. This essential profile provides a positive framework for understanding how you perceive the world and make decisions, acting as the bedrock for any coaching or self-awareness journey.

USD \$100.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Interpretive Report

A deep-dive narrative into your personality type. This comprehensive report explains how your preferences interact and provides an extensive toolkit for personal and professional growth.

USD \$120.00

THE MYERS-BRIGGS COMPANY

MBTI® Step II - Interpretive Report

The most granular MBTI insight available. Beyond your 4-letter type, Step II examines 20 specific facets of personality to explain your unique 'spin' on your type. It is the ultimate tool for executive level coaching.

USD \$185.00

APOLLO

APOLLO Profile

A comprehensive workplace behavioral diagnostic. Apollo provides a multi-dimensional view of professional DNA, measuring task approaches, social interaction, and core motivations in one integrated report.

USD \$160.00

HOGAN ASSESSMENTS

Hogan Leader Focus Report

Define your leadership signature. By integrating your strengths with your core values, this report explains how you lead others and what kind of culture you build. It's the definitive tool for emerging and established managers.

USD \$170.00

HOGAN ASSESSMENTS

Hogan Challenge Report

Identify leadership derailers before they happen. This report maps the 'Dark Side' of personality—tendencies that emerge under stress and can sabotage effectiveness and team morale.

USD \$270.00

HOGAN ASSESSMENTS

Hogan Coaching Report

The ultimate executive development roadmap. Integrating HPI, HDS, and MVPI, this report provides a comprehensive view of strengths, risks, and values to drive deep behavioral change.

USD \$270.00

HOGAN ASSESSMENTS

Hogan Manage Report

Optimizing the manager-employee dynamic. This report helps managers understand their own style and provides specific tactics for managing different types of employees effectively.

USD \$100.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I - Interpretive Report for Organizations

Translate personality into business performance. This report applies MBTI results directly to work styles, team communication, and office problem-solving.

USD \$140.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Conflict Style Report

Handle disagreements with maturity and strategy. This report explores how your personality type reacts to conflict and offers tailored tips for resolution.

USD \$120.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Communication Style Report

Become an influential communicator. Understand your natural communication habits and learn how to adapt your message for different personality types.

USD \$120.00

THE MYERS-BRIGGS COMPANY

TKI Profile and Interpretive Report

The world's #1 tool for conflict management. TKI helps individuals understand their default conflict mode and provides a toolkit for choosing more strategic responses.

USD \$100.00

THE MYERS-BRIGGS COMPANY

Work Engagement Profile Interpretive Report

Unlock the secret to high engagement. This profile measures the intrinsic rewards that drive employee passion and commitment, helping to prevent burnout and turnover.

USD \$90.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Career Report

Align your personality with your career path. This report helps you find professional satisfaction by matching your type to optimal work environments and career fields.

USD \$80.00

THE MYERS-BRIGGS COMPANY

iStartStrong

Ignite your professional journey. Using the Strong Interest Inventory framework, this report maps your personal interests to real-world career and educational paths.

USD \$50.00

HOGAN ASSESSMENTS

Hogan Career Report

How others see your professional brand. This report focuses on your workplace reputation and strengths, identifying the roles where your natural personality will shine.

USD \$110.00

HOGAN ASSESSMENTS

Hogan Sales Basis Report

Identify top sales hunters. This report evaluates candidates against the specific personality traits that predict success in high-pressure sales roles.

USD \$240.00

HOGAN ASSESSMENTS

Hogan Safety Development Report

Minimize workplace risk. This report measures safety awareness and identifies candidates who may be prone to reckless or distracted behaviors in high-risk environments.

USD \$100.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Decision-Making Style Report

Make better choices. Analyze your natural decision-making style, identify potential cognitive biases, and learn a framework for more balanced information gathering.

USD \$120.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Stress Management Report

Build resilience under pressure. Identifies your unique stress triggers and behavioral reactions, offering customized coping mechanisms to prevent burnout.

USD \$120.00

THE MYERS-BRIGGS COMPANY

MBTI® Step I™ - Healthcare Professionals Report

Elevate patient care through personality awareness. Designed for clinical settings to improve patient communication and healthcare team dynamics.

USD \$110.00

HOGAN ASSESSMENTS

Hogan Flash Report

Data-at-a-glance for experts. A graphical snapshot of HPI, HDS, and MVPI scores without narrative text, designed for certified practitioners.

USD \$220.00

HOGAN ASSESSMENTS

Hogan Compass Report

Find your motivational north star. Unpacks your core values and interests to determine organizational fit and career direction.

USD \$110.00

HOGAN ASSESSMENTS

Hogan EQ Report

Measure the 'Soft Skills' that drive 'Hard Results.' Assesses emotional intelligence based on stable personality traits rather than temporary mood.

USD \$170.00

PDI

PROFILOR® Senior Executive Report

A comprehensive 360-degree feedback report designed specifically for senior executives. The PROFILOR® Senior Executive Report provides deep insights into leadership effectiveness at the highest organizational levels, measuring competencies critical for C-suite and VP-level performance.

USD \$250.00

PDI
